School days

On a typical day, my parents get up first. They get up at seven. I usually get up at about seven thirty.

I have breakfast, then I walk to school. Classes start at eight thirty. On Mondays and Wednesdays we study science. That's my favorite subject. I always have lunch at school. There are classes in the afternoon. After school I usually go home, but I sometimes go to Julie's house.

Weekends

I love Saturday mornings. There aren't any lessons, so I usually get up at about nine o'clock. I never watch TV in the mornings. I send text messages and read my e-mails. On Saturdays, I usually go out with my friends in the evening. We go to the movies or to a party. On Sundays I visit my grandparents, and I have lunch at their house.

Sports and activities

My favorite sport is basketball. I'm on the school team. We practice twice a week, on Tuesday and Thursday afternoons. We sometimes play other schools. We usually win! I like cycling, too, but I don't like track and field. I love music. I listen to CDs every evening. And of course I do homework every evening, too!
