**My daily routine by Ming-Hoa**

I get up at 6:30 a.m. every day when I go to school. I take a shower, brush my teeth, and get dressed. I always have some bread and a glass of milk for breakfast. I always ride my bike to school with my friends, that's my daily exercise!

My classes start at 7:00 a.m., and school finishes at 5:15 p.m. It's a very long day. Sometimes I come home and have lunch with my grandmother. I live in an apartment with my parents and my grandmother. I don't have any brothers or sisters. My parents work, but we usually have dinner together in

the evening. After dinner I always do my homework. I like books, but I don't read much at home. I relax on the weekends and I sometimes play video games. I always go to bed at 9:30 p.m. during the week, but at 10:00 p.m. on the weekend.

**2. Read the statements. Circle T (true) or F (false).**
