

A How can you help the environment? Write.

- | | |
|----------------------------|-----------------------------|
| power plants | take reusable shopping bags |
| reuse paper | plant a garden |
| recycle bottles and cans | shut off the water |
| start a compost pile | ride a bicycle |
| take public transportation | chemicals |
| plastic | keep air conditioner low |

B Look at **A**. Write three things that are bad for the environment.
